1 Open the Google Play Store on Android, or the App Store . This is where you browse, purchase, and download games for your mobile device. The Google Play Store for Android has an icon that resembles a colorful triangle. The App Store for iPhone and iPad has a blue icon with a capital "A". Tap the icon on your home screen to open the Google Play Store or App Store. 2 Tap Games. On iPhone and iPad, it's the icon that has a rocket ship at the bottom of the screen. On Android, it's the icon with a game controller at the bottom of the screen. This is where you can browse for games to download. Some games are free to download, and others require a credit card purchase. Alternatively, if you know the name of the game you want to download, you can use the search bar to search for it. The search bar is at the top of the screen in the Google Play Store, and in the "Search" tab at the bottom of the screen in the App Store on iPhone and iPad. 3 Tap a game you want to download. When you see a game you want to download, tap its icon to view the information page. The following are popular games for smartphones and tablets that can be played online: Fortnite Clash of Clans Asphalt Modern Combat Minecraft 8 Ball Pool 4 Tap Get or Install next to the game icon. This will download and install the game on your smartphone or tablet. Some games require a credit card purchase to download. If the game has a price tag, tap it and then enter your password to complete the purchase with the credit card you have saved to your account. 5 Open the game. Once the game has finished downloading, tap the game icon on your home screen or apps menu to open the game. 6 Create a new account. Most online games will require you to create an account in order to play. Select the option to create a new account when you start the game. Then fill out the form. You will most likely be required to enter your name, email, and choose a username and password. Some games allow you to create an account using your Google, Facebook, Apple ID or other accounts. 7 Go through the tutorial. Most games start with a tutorial mode to teach you how to play the game before you start playing online. Follow the instructions to learn how to play the game. 8 Select the online mode. Some games can only be played online. Other games have an offline mode and an online mode. If there are multiple modes, select the online mode from the title screen. 9 Wait for the game to connect. Once you select the online mode, wait for the game to connect. Then you can start playing with other players online. Playing online games may use mobile data. If you don't want to use up your mobile data, make sure you are connected to the internet using a wireless connection.
